March Break Camps for Children with Autism

March 16—20, 2020

Camps are run by a team of trained Behaviour Therapists with extensive experience in Applied Behaviour Analysis and skill in working with a wide range of behaviours, developmental levels and capabilities.

Each day is filled with fun crafts, activities, experiments, games and more, while encouraging positive social and group interactions in a judgment-free, inclusive environment.

Come for one day or the whole week. Know your child will be in a safe place having fun.

Daily Themes:

- ◆ Science and Technology
- ◆ Music and Dance
- ◆ Sports
- ◆ Cooking
- ◆ Superheroes
